## From Housewife to Super Chef – Seawoods' Madhulika Vatsal

**NAVI MUMBAI:** On the occasion of Women's Day, Ultra Cookery presents Chef Madhulika Vatsal, a housewife from Seawoods, Navi Mumbai, who has created a very distinctive niche in the art of baking and cooking. Mentioned below is her profile and photograph for your reference.

Not so formally trained neither years of cooking experience in Star Kitchens, yet making her own spot on various digital platforms is impressive. Madhulika Vatsal, 42 is known for her simplicity and unique baking techniques today through her Youtube cooking videos. Hailing from a Marwari family, eating homemade food was tradition. She says, "I was always fond of cooking and I had dabbled in it since my Eighth grade and somehow I knew I could master this art. I always wanted to pursue cooking since it was my passion, but due to early marriage, and taking care of household chores and chil-

dren it was not an easy task to pursue my hobby on a bigger scale.

ers." Till now there are more than 500 varied cuisines and desserts

in Navi Mumbai. She shares further, "That always remember, in

help you become financially independent in future. It may be cooking, sewing, designing, anything, you have to be courageous at just one point.. Then all the rest follows."

Recently, she has got associated with 'Ultra Cookery' one of the oldest players in digital cooking industry with 9 lakh followers on Facebook. Ultra Cookery is a unique cooking show which features various user friendly recipes from all over the world, which one can watch as per their convenience from home or office simply by just following them on Facebook. She

prepares two recipes every week for Ultra Cookery. Some of her recipes uploaded are Christmas cake, Red velvet cake, Heart Shape Pizza, coconut cookies, etc. All her recipes are easy to make and the ingredients are easily available at home. Learn to cook a variety of food items such as Chinese, Italian, Lebanese, Punjabi, Rajasthani, Cuisines. Also learn and enjoy making cakes, breads, chocolates, cookies, sizzlers, cupcakes, starters, soups, street food, desserts, ice cream, doughnuts, rice and many more items

But the strong vision to make my dream come true never faded away."

She further adds, "My children, Shubhangi (18) and Devarshi (17) suggested me to open my own Cookery Youtube channel and that's how the journey of my channel 'Food Connection' started. I uploaded my first recipe on 5th May 2015 named as 'Whole Wheat Cookies', now my channel have more than 2.3 lakh subscrib-

uploaded on the channel. Recently, She has opened another Channel 'Food Connection in Hindi' to cater to Hindi audiences, it currently has more than 70 recipes. In recognition for her work and immense response, she has received 'Silver Button' from Youtube appreciating her success. She has been amongst the top 200 contestants in Master Chef India and has received many prizes in local competitions
