

# Ultra Media & Entertainment Group employees & CEO celebrating 75th Anniversary of Indian Independence

Employees of Ultra Media & Entertainment group celebrated the 75th year of Indian Independence in a very interesting & an educative way. They all came together and sang some old patriotic songs of films and theatres in Hindi & Marathi languages creating nostalgia amongst all.

One of the colleague actually recited a special poem written by him which rendered the journey of the past 75 years of Indian independence. Another colleague also explained in detail on what should all Indians do when they see the flags lying on the roads and thrown in the dustbin days after Independence Day is over. Which government helplines to call and complain to them so that they can take necessary action and do the needful.
