## Song of freedom

**Sona Mohapatra's** new single, *Raat ke musaafir*, highlights the problems women face when working or travelling at night and the need to build safe spaces. The music video releases on Independence Day on Ultra Bollywood. "It tells a story without preaching or patronising anyone," says the singer. "The track is a take on everyone's freedom to be themselves and find others who will support you," adds Ajay Govind, lyricist and director of the music video.
